AVERAGE ACT INCREASE

Applerouth tutors help students with each section of the ACT to bring their composite score up an average of 5 points.

AVERAGE SAT INCREASE

Students are seeing big gains on the new, 1600-point scale SAT. A gain of 100 points is roughly equivalent to a 180 point gain on the old scale.

"My son's tutor has been wonderful. He feels confident and prepared for the SAT. We're very happy we chose Applerouth to tutor him."

Merit-Based Scholarships

Many Applerouth families find that higher test scores can help ease the financial burden of a four-year tuition bill. A high score on the PSAT can qualify students for National Merit Scholarships, while a high SAT or ACT score can pave the way for merit-based scholarships at most colleges and universities. In 2015, Applerouth students were offered over 11 million dollars in scholarships!
